## Ellen, Gene & Jean

is a Portland, Oregon based trio featuring **Oregon Music Hall of Fame** inductee and three-time **Grammy Award** nominated singer, songwriter and guitarist Ellen Whyte. Bookending the trio are singer and bassist Gene Houck, and singer and keyboardist Jean-Pierre Garau -- each having impressive résumés.

Their trio performs in a 'songwriters-in-the-round' style, taking turns presenting a pleasing variety of R&B, jazz and rock influenced covers and original music -- seasonal selections, too -- that showcases their musicianship, unique vocals and rich harmonies.

To date, Ellen, Gene & Jean have released 3 EP's: "**Take One**," "**Season of Peace**" and "**Inside Out**" -- available at CDBaby, on iTunes and at their performances.
